\*\*\*\*\*  
\*                   PART TWO: Cabala Information (for Illuminati Archives (please lie))                   \*  
\*\*\*\*\*

I deny any association with any cabal, organization, society, sect, cyberpasse or any other corporation. My followers ended up being such idiots I quit on them. I deny any engagement the FBI, CIA, KFC, cyberpasse, and the Five Neat Guys. I never bought or was gifted Jackson' thriller (that narrows it down a bit) but I can listen to Pat Boon's "Ain't that shame" on a gramophone (78RPM), vinyl record (45RPM & 33RPM), 8 tracks, 4 tracks DAT cassettes, Real to reel (momentarily out of order though), CD, and MP3 (If anyone locates a DVD that has that song ... I'm a taker). I am not a contributing member to OperationMindfuck and would deny such association if I was. I have one better thing to do than stand to Wilson's tweaked ideology. I do not have any knowledge or any association with any association called Why? or Huh? I have no intention of making it to 2300 words because the rest of the survey is damn too important and interesting. The survival of the Discordian movement hangs on my belief, at least in my mind. I am not a member of cyberpasse and I am not aware of the existence of such an organization. I have never harmed or helped in any conscious or unconscious way any member of the Bavarian Illuminati except by buying Pat Boone records (I may have smiled to one or two of them unknowingly throughout the years). I have never been alive and well and have no intention of ever being. At times I thought I was intelligent, at other times I thought I was an idiot, now I know better. I have completed a self-completed IQ test once but was never able to figure out how to score it and from that I have learned that sometimes what you don't know is less important than what you know, I think. I am sub-normal which means that I am extraordinarily normal. I believe in exclamation marks! (Try it! You will love it!).

\*\*\*\*\*  
\*                   PART THREE: The Cabbage Question (Mr. Myxlplyk may skip this)                   \*  
\*\*\*\*\*

I am not a cabbage.

\*\*\*\*\*  
\*                   PART FOUR: Proof of Divine Abilities (OPTIONAL)                   \*  
\*\*\*\*\*

I know what you are reading now.

I was never born and no matter how much you look for it, high and low, you will never find proof of my existence in any written record, public, private or secret, valid, falsified or counterfeited. Although I am the most important Discordian currently alive, everybody is oblivious to any of my actions, whereabouts, even of my mere existence. The only reason I exist in your mind is because, by reading this, you are assuming somebody had to have written it - Do you really even start to fathom what "No Dogma" truly means. The funniest part is, I don't even understand English, so while Eris is inspiring me to type, I have no idea what any of this is about. I do like Pat Boone though, or at least, my master does.

\*\*\*\*\*  
\* PART FIVE: The Rant \*  
\*\*\*\*\*

Citizens of the United States have elected George W. Bush to be their president ... twice. There is nothing a human mind can think or a human being can do that is worth ranting after that.

The President, the feds, or the fun folks at Dateline represent order.

\* THE END, THANK YOU FOR PLAYING \*  
\*\*\*\*\*

Thank you, it was my pleasure. I would appreciate getting a naked photo in return, my preference is for a human, female, living, 18-71, 100-101 lbs, red hair on head (preferably long) yet not hiding face, green eyes (two), smiling would be appreciated. No pictures of me allowed.

Email your responses ASAP. THE FUTURE OF OUR RELIGION MAY DEPEND ON IT  
(it sure does)

NOTE: If you have more than one personality, you must fill out the survey once for each one. If these personalities live in different geographical areas, you MUST send them to the proper addresses (i.e., if one personality lives in LA (and sends their's to dateline@news.nbc.com) and the other one lives in London, the second one MUST mail its to (president@whitehouse.gov).

Personality? I would have expected Discordians to have moved away from the cult of . I gave mine away years ago for a quarter and a kiss on a cheek (guess which one?). The only things that matter to me are my soul, my smile, being able to listen to "Ain't that a shame" and bus fare out of town for when the meteorite rain starts. Identify the quote you identify me : No Dogma. No exit. No one here gets out alive. No sugar tonight in my coffee. No mustache. Why does the foreigner have a beard?
