L'Association des Artistes de Kirkland**

**Presents with pride its Artists of the Year
Murielle LeBlanc, Artist
At their 25th Annual Exhibition and sale**

A special presentation of works by our Artist of the year will be shown along with original art works by other members of the Kirkland Artists' Association.

Hailing from Acadian roots, Murielle LeBlanc has lived in Montreal's West Island for 25 years; notably in Kirkland since 1993. Being passionate about watercolour, she strives to continually improve her art, regularly attending classes and workshops held by various artists such as: Claude Gauthier, Elise Miron, Lise St Cyr, Barbara Simmons and Ayako Shibata. All of whom have had a great influence on Murielle's art.

Her brilliant use of color and luminosity help us discover the natural beauty of her favorite subjects: flowers, still-life, and children. Murielle is a very active artist. She is a member of such organizations as: "La Joie de L'Aquarelle ", an associate member of The Canadian Society of Painters in Watercolor, the Moncton Art Society, and the Kirkland Artists Association since 2003. She regularly participates in workshops and exhibitions organized by these groups.

In November 2006, one of her paintings was selected for "Open water 2006 ", an exhibition held by The Canadian Society of Painters in Watercolour in Toronto.

The exhibition will take place at Lantier House, 11 Chemin Lantier, Kirkland
