University Degrees

Ph.D. in Economics, University of Karlsruhe, 07/1988.
M.A. in Economics, University of British Columbia, 08/1987.
B.Sc. in Industrial Engineering, University of Karlsruhe, 12/1985.

Sabbatical Leaves

06/2004 – 07/2005: Bocconi University.
01/2000 – 05/2000: Rice University.
12/1995 – 05/1996: University of Sydney.
06/1995 – 11/1995: University of British Columbia.

Awards and Honors

Recipient of the 2004 *John Rae Prize*, awarded every two years by the Canadian Economic Association to recognize research excellence in the recent past.

Listed in *Who's Who in Economics, Fourth Edition*, M. Blaug and H. Vane (eds.), Edward Elgar Publishers, 2003.

Service in Professional Organizations

Council Member, Society for Social Choice and Welfare, 1998–2003; 2006–2011.

Member of the research grants adjudication committee, Social Sciences and Humanities Research Council (Canada), 2003.

Major Research Grants Received

Fonds de Recherche sur la Société et la Culture, Québec (2008–2012), “Recherches sur les fondements des mécanismes d’allocation des ressources” (with L. Ehlers, S. Gordon and Y. Sprumont).

Social Sciences and Humanities Research Council of Canada (2008–2011), “Consistency in individual and collective choice” (with K. Suzumura).

Social Sciences and Humanities Research Council of Canada (2004–2008), “Equity and rationality in intergenerational resource-allocation problems” (with Y. Sprumont and K. Suzumura).

Fonds pour la Formation de Chercheurs et l’Aide à la Recherche, Québec (2001–2004), “Implications of theories of collective decision-making in economies with private and public goods” (with Y. Sprumont).

Social Sciences and Humanities Research Council of Canada (2001–2004), “Individual and collective rationality” (with Y. Sprumont and K. Suzumura).

Social Sciences and Humanities Research Council of Canada (2000–2003), “Altruism, discounting and number-sensitive population principles” (with C. Blackorby and D. Donaldson).

British Council/Spanish Ministry of Culture and Education Acciones Integradas (1999–2001), “Ranking sets of alternatives in individual and social decision-making” (with S. Barberà).

Social Sciences and Humanities Research Council of Canada (1995–1999), “Ethical aspects of variable-population allocation problems” (with C. Blackorby and D. Donaldson).

Social Sciences and Humanities Research Council of Canada (1992–1995), “Intertemporal policy evaluation with a variable population” (with C. Blackorby and D. Donaldson).

Editorial Responsibilities

Member of the editorial board, *Mathematical Social Sciences*, since 2007.

Member of the editorial board, *Economics and Philosophy*, since 2006.

Member of the editorial board, *Social Choice and Welfare*, since 1997.

Refereeing for Journals

Aequationes Mathematicae; American Economic Review; Annals of Operations Research; Canadian Journal of Economics; Econometrica; Economica; Economic Design; Economic Inquiry; Economic Journal; Economic Theory; Economics and Philosophy; Economics Bulletin; Economics Letters; Games and Economic Behavior; International Economic Review; International Game Theory Review; International Journal of Game Theory; International Tax and Public Finance; Journal of Applied Social Sciences Studies; Journal of Economic Behavior and Organization; Journal of Economic Inequality; Journal of Economics; Journal of Economic Theory; Journal of Income Distribution; Journal of Mathematical Economics; Journal of Mathematical Psychology; Journal of Political Economy; Journal of Population Economics; Journal of Public Economics; Journal of Public Economic Theory; Mathematical Social Sciences; Metron; Order; Politics, Philosophy and Economics; Review of Economic Studies; Review of Income and Wealth; Sankhyā; Scandinavian Journal of Economics; Social Choice and Welfare; Southern Economic Journal; Spanish Economic Review; Statistical Papers; Theory and Decision.

Refereeing for Publishers
